We love Lewis & Wood's new Bukhara fabric which is shown here made up as curtains. The pattern is inspired by the Ikat tradition of Uzbekistan, but with a contemporary colour palette. It is printed on 100% linen (130cm width), priced at £72 per metre. Lewis and Wood at Woodchester Mill, near Stroud: 01453 878517 / GL5 5NN / lewisandwood.co.uk

AGA has just launched its most economical model yet, the electric three-oven AGA Total Control. On the outside, it looks exactly like a classic AGA cooker, but tucked away on the inside is a state-of-the-art touch screen control panel. This new technology lets you control the compartments in use, saving energy. It comes in a range of 11 colours, priced at £9,595. For stockist details: 0845 712 5207 / agaliving.com
